

EMERGENCY MANAGEMENT CONSULTANT

Join a vibrant, respected, and growing company. Hagerty Consulting is a professional services firm providing management consulting services to public sector clients in Washington, D.C. and nation-wide. Our employees are highly motivated self-starters and problem-solvers who value the chance to make a difference in the public sector arena. We are currently engaged in a number of challenging emergency management and disaster response and recovery projects with FEMA's Disaster Assistance and Disaster Operations Directorates; the City of Philadelphia; the City of New Orleans; and the State of Mississippi, among others.

We have an immediate need in our Washington, DC office for a consultant with experience in emergency management, homeland security and/or disaster response and recovery. We are looking for both FULL-TIME, permanent employees and INDEPENDENT CONTRACTORS and will consider applicants at the Managing Associate or Senior Managing Associate level.

Job Description

The emergency management consultant will participate in or lead tasks for Federal, state, and local clients. These tasks may require the consultant to:

- Conduct capabilities assessments and gap analyses;
- Develop emergency operations plans and contingency plans;
- Design and facilitate discussion-based or functional exercises; and
- Provide management and analytical support to federal and state recovery efforts.

The consultant will be expected to work with minimal supervision and be comfortable interacting directly with clients, including senior managers and executives. The ideal candidate will have experience leading teams and/or managing projects and will have experience identifying and pursuing new business opportunities.

Desired Qualifications

- Bachelors or Masters Degree and 1- 4 years experience (Managing Associate) or 5+ years experience (Senior Managing Associate) in emergency management and disaster response and recovery.
- Must be a U.S. citizen and be able to successfully complete a background and criminal history check.
- Working knowledge of the National Incident Management System (NIMS), the Incident Command System (ICS), and the National Response Framework (NRF).
- Experience developing and/or leading Homeland Security Exercise and Evaluation Program (HSEEP)-compliant exercise.
- Ability to both lead teams and be a productive supporting member of other teams.

- Outstanding written and verbal communications skills.

Those individuals who work best with Hagerty are self-starters and are comfortable working in challenging environments with minimal oversight. Other needed attributes:

- Flexibility, integrity, teamwork, and an unwavering commitment to excellence in all endeavors
- An interest in helping public sector agencies succeed
- Ability to stay calm and poised under pressure and remain focused when working under tight deadlines
- Flexibility to travel for project work
