

PUBLIC SECTOR MANAGEMENT CONSULTANT

Join a vibrant, respected, and growing company. Hagerty Consulting is a professional services firm providing management consulting services to public sector clients in Washington, D.C. and nation-wide. Our employees are highly motivated self-starters and problem-solvers who value the chance to make a difference in the public sector arena.

We are seeking exceptional and accomplished individuals based in Washington, D.C. with degrees in public administration, public policy, finance, accounting, business administration, economics or related disciplines, to work in support of a variety of projects.

JOB DESCRIPTION

Our Work

Hagerty Consulting has eight service lines: 1. Business Process Transformation; 2. Facilitation; 3. Financial Management & Analysis; 4. Grant & Loan Management; 5. Preparedness & Crisis Recovery; 6. Policy Analysis; 7. Program & Project Management; 8. Strategic & Performance Management.

These skills are applied in the following ways:

- We provide advice, technical assistance, training and guidance to clients concerning grants, programs, agreements and projects administered by Federal, State and local entities
- We design and implement business process improvements
- We assist with Federal government audits, internal control and compliance reviews
- We prepare federal grants to reimburse state and local governments for disaster related costs, including debris removal, emergency protective services, and infrastructure repairs.
- We prepare plans related to preparedness, catastrophes, continuity of government, and disaster response.
- We analyze public policy issues, emerging trends, and advance policy alternatives
- We identify achievable and measurable goals and performance metrics to help clients assess progress against their mission.
- To date, our work has primarily focused on response and recovery support in the aftermath of Federal disasters. However, we are broadening our lines of service to include a wider range of public sector projects. In all our work, our consultants apply innovative, practical, and cost-effective solutions to complex issues, helping clients meet their strategic goals.

Our Clients

Our service lines are provided either directly to public sector agencies or we partner with professional services firms that provide services to public sector agencies.

Our Location

While our projects are located throughout the country, we are currently seeking D.C.-based consultants as we broaden our work in the D.C. area. However, strong preference will be given to individuals who, should the need arise, are willing to travel extensively for projects.

QUALIFICATIONS

Interested candidates must possess the following:

Education

A degree (Masters or Undergrad) in Public Administration, Public Policy, Accounting, Finance, Business Administration, Economics or a related discipline, and a record of academic achievement. We are also seeking Certified Public Accountants and individuals with Project Management Professional (PMP) certification.

Degrees and certifications will be verified in the context of performing background checks.

Citizenship and background checks

Must be a U.S. citizen and be able to successfully complete a background and criminal check.

Experience

We are seeking consultants at all skill levels. 4 – 8 years work experience demonstrating strong core competencies in the areas of analysis, logic, written and verbal communication, and presentation. Prior experience as a management consultant with a Big 4 or comparable type firm is preferred.

Attributes

Those individuals who work best with Hagerty are self-starters and are comfortable working in challenging environments with minimal oversight. Other needed attributes:

- Flexibility, integrity, teamwork, and an unwavering commitment to excellence in all endeavors
- An interest in helping public sector agencies succeed
- Strong work ethic, positive attitude, ability to work with minimal supervision
- Able to stay calm and poised under pressure and remain focused when working under tight deadlines
- Strong self-starter instincts and results oriented.

COMPENSATION

- Competitive annual salary commensurate with documented salary history
- 401(k) with Company match
- Company-paid premiums for Life, Short-term and Long-term Disability Insurance
- Health Care Premium Reimbursement of up to a maximum of \$2k for individuals and \$3k for individuals with families
- Personal Time Off (PTO) hours

Interested candidates should submit a cover letter and resume to recruitment@hagertyconsulting.com.
